Are you frustrated with searching for a senior housing community for yourself or your loved one? Is looking through a magazine or the yellow pages and calling several communities a good use of your time? Do you know what questions to ask? What are your options?

A Helping Hand has arrived...

When the need for a more supportive environment is identified, one call to us is all it takes to ensure you and/or your loved one(s) has an advocate assisting you every step of the way. An extensive knowledge of the Richmond senior housing market, and the ability to advocate for you and/or your loved one(s), as opposed to the facility we work for, ensures you receive unbiased information to help you make an informed decision on the best senior housing option for you. We will arrange a time to meet with you and/or your loved one(s), conduct a comprehensive, holistic assessment of your situation, and provide **OBJECTIVE**, unbiased recommendations. If a facility setting is needed, we will accompany you and/or your loved one(s) on tours of the top 2-3 facilities (based upon your assessment). Then, we serve as your advocate, help you determine the perfect fit, guide you through negotiations, and help facilitate a smooth transition.

Please call the office at (804) 486-9177 for more information.
